**PUPIL INSTRUCTIONS REGARDING INCLEMENT WEATHER**

In the event of any candidate not being able to travel to school because of weather conditions, the candidate **MUST IMMEDIATELY** inform the school. In such circumstances, each pupil must make every effort to attend, irrespective of whether they are aware of other candidates not being able to get to school.

Unfortunately, RCT only have enough transport to cater for pupils with physical disabilities, or with illnesses or injuries that prevent them being able to walk to school. Should you fit into this category, please let me know immediately.

If any candidates cannot travel to school but are able to get to a local school in their vicinity, please telephone St John's to speak to Miss Green who will arrange for the examination papers to be delivered to that school.

Any candidates who cannot attend the examination session will be offered the opportunity to resit the exam in the Summer Session.

The telephone number of school is 01685 875414
